

4 NIGHT ARKABA WALK
EX ARKABA 2021

THE ARKABA WALK
Wild Bush Luxury

ABOUT

The Arkaba Walk is a Wild Bush Luxury experience in an iconic outback South Australian setting. By joining this fully hosted all-inclusive experience you're not only witnessing an environment in recovery, you're actively participating in its revival. You'll see and hear the results of active conservation as you walk through the landscape and meet the wildlife in the company of passionate field guides. Explore 60,000 acres of privately-owned and carefully protected outback with a maximum of ten walkers.

From dry creek beds, isolated waterholes lined with 1,000 year-old River Red gums to craggy ridge lines and rolling hills covered in cypress pines to the ancient ramparts of Wilpena Pound, this is some of the most stunning walking country in Australia. While everyone loves to have a comfortable bed and great food, it is the time spent with people on the ground that leaves a lasting impact. Of course, a really good glass of wine at the end of the day always helps! The true value of a Wild Bush Luxury experience on the Arkaba Walk is the vastness of space, the feeling of exclusivity and the opportunity to retreat into nature.

DAY ONE

GUIDED LAY OF THE LAND SAFARI EXPERIENCE

Arrive Arkaba Homestead from 2pm and enjoy a Wild Bush Luxury welcome and orientation in good time ahead of your guided safari experience taking you deep into Arkaba's conservancy. You'll explore high ranges, rolling hill country, gorges and valleys revealing a huge variety of habitat providing the opportunity to immerse yourself in the story of the bush - its ancient geology and all of its glorious diversity. Your guided lay of the land safari experience is usually capped off with a sundowner drink on top of the ranges with the scale and grandeur of outback South Australia laid out for miles around. Dinner is hosted by one of Arkaba's field guides and is shared with fellow guests providing an atmosphere more akin to staying with friends in the country, or a private safari lodge than a typical luxury hotel.

DAY TWO WILPENA POUND TO BLACK'S GAP CAMP

Breakfast will ensure you are sufficiently fueled and ready to explore before our short 35 minute drive to the starting point. The distance today is approximately 13km through the flat interior of Wilpena Pound and a gradual 1.5km ascent to the rim of the Pound, climbing 200 metres ahead of a steeper descent of about 1km into Arkaba wilderness and Black's Gap Signature Swag Camp. Expect to walk into camp at around 5:30pm in time to settle in, take a hot bush shower (with a view!) and enjoy a pre-dinner drink and canapes service as the sun sinks behind the ancient ramparts of Wilpena Pound. Our signature camp is located between Bunbinyana Range and Wilpena Pound, on a site previously occupied by a shepherd in the late 1850s. His stone chimney place still exists and we camp overlooking the creek where he used to take his water. Our field guide and camp assistant will prepare a three-course evening feast, taken al fresco under the evening sky and accompanied by local South Australian wine. Enjoy some interesting tales around our bush TV, the good old camp fire, and retire to your swag bed for an unforgettable night under a canopy of stars.

Day 2 is approximately 13km, 5 – 6 hours

DAY THREE

BLACKS GAP CAMP TO ELDER CAMP

Today is arguably the most scenic, as we move out from Black's Gap into the rolling hills more suited to the sheep farming activities previously carried out across the property. The first 2km will follow the famous Heysen Trail through Black's Gap itself revealing a fascinating insight into the pastoral history of the region, pausing at old shepherds' camps and mustering yards, with Red and Grey Kangaroos and Emus all regular sightings. The last leg of the day will take us slightly west into rolling hills culminating in a sharp 1km climb of about 100m in elevation to the summit of the Red Range where we'll be rewarded with panoramic views of the Ikara-Flinders Ranges before moving on to the foot of Elder Range passing through beautiful stands of native Cypress trees.

Your luggage will have been transported by vehicle to your next signature swag camp, our Elder Camp. A hot bush shower, dinner and another special night under the great Australian sky awaits.

Day 3 is approximately 14 - 15km, 6 - 7 hours

DAY FOUR

ELDER CAMP TO ARKABA HERITAGE HOMESTEAD

Wake to glorious morning light creeping up our very own Elder Range. As we move south east the first few kilometers will be amongst hill country at the foot of the Elder Range. Walking through Mallee and native pine forests, we cross Slaty Creek which can hold precious water well into the dry season, sometimes even offering the opportunity to drink from clear, ice cold springs. Ascending the Red Range and down onto the banks of the Arkaba Creek, shady and picturesque and lined with time-honoured and rejuvenating River Red Gums, with plenty of opportunities to spot birds that commune in the canopy, including galahs, parrots and honeyeater species. We pass reliable water points providing year-round life support for kangaroos, parrots and emus. The pace is unhurried with time to stop and breathe in the outback, view wildlife and take photographs. Arrive Arkaba Homestead mid afternoon and relax or perhaps partake in a massage or a scenic flight over the ancient ramparts of Wilpena Pound. This evening enjoy a hosted feast and guided viewing of the Southern Hemisphere's clearest skies silhouetted against mountains half a billion(!) years in the making.

Day 4 is approximately 14 – 15km, 6 – 7 hours

DAY FIVE ARKABA AT LEISURE

Enjoy a leisurely breakfast at the Arkaba Homestead and a few options to make the most of your morning. You might like to head poolside or recline by the stone fireplace with a book, depending on the time of year. A self-guided stroll along Arkaba Creek to our historic Arkaba woolshed might pique your interest. Or you might retreat into nature from Arkaba's hide. Not only a place to see, but to watch wildlife and all the fascinating interactions that occur between species. We know you'll remember the beauty and scale of the outback Australian landscape; and then the knowledge and passion of Arkaba's field guides who immerse you in the stories that lie behind it. This is what really makes the Wild Bush Luxury experience at Arkaba so special. The Wild Bush Luxury team will bid farewell as you depart Arkaba by 11am check-out today.

SLEEP AND DINE UNDER THE STARS AT OUR SIGNATURE SWAG CAMPS

Each signature walking camp has five permanent swag decks. The low timber decks are slightly elevated, and each have a ½ metre corrugated iron screen around three sides, to give privacy – the fourth side is left open to the views over the countryside, while above you is the night sky and a canopy of stars. There is also a sheltered section of your swag deck, in the event of wind or rain. Your bed is a ‘swag’ – the bedding of choice for generations of Australian pioneers, a canvas envelope that is comfortable and waterproof, protecting you from the elements. Inside each swag will be an all season’s sleeping bag with liner.

Each camp site has two waterless composting toilets – each in their own little ‘dunny’ shed and strategically located to enjoy the best of the views. Each camp has two bush showers – essentially buckets that are filled with water warmed on the fire, and equipped with taps to regulate the flow. Some special Wild Bush Luxury touches ensure these bush showers will be a feature of your trip!

THE ARKABA HOMESTEAD IS YOUR OASIS OF COMFORT
AT THE FOOT OF THE ELDER RANGE

Your first and final evening will be spent in the comfort of Arkaba's restored homestead, a member of Luxury Lodges of Australia, and an exclusive outback Australian experience. As the layout of the original homestead has been retained, each of the five homestead guestrooms has a character of its own and has been named after early settlers, explorers or property owners. Each has a private bathroom and opens out on a shaded verandah with views of the surrounding ranges. The décor has been hand-fashioned by wildlife artist, Rosie Woodford-Ganf. Bedheads are from recycled fence posts and fleeces, curtains tied back by gumnut tassels, lights are perched on explorers' tripod theodolites. The Arkaba Homestead retains a real sense of history and place. We unapologetically spare your room from noisy televisions and internet connections. We'd much rather share expansive views, ever-growing species checklists and binoculars so you won't miss a thing.

YOUR HOLIDAY MAKES A DIFFERENCE

By joining us on your outback adventure you are actively contributing to our conservation mission to help save the biodiversity of Australia's wildlife. Over five million native animals (and counting!) thank you from the bottom of their fluffy, feathery and scaly reptilian hearts.

GROUP SIZE

Our Wild Bush Luxury experience on the Arkaba Walk operates with a minimum 4 and maximum of 10 people. We would rather not run into loads of people when out and about on foot safari so we dial up on wide open space and keep numbers to a privileged few.

We recommend all guests obtain travel insurance including cancellation and emergency medical care.

CANCELLATION POLICY

If you cancel outside of 30 days your deposit will be refunded, less a \$50 administration fee. If you cancel within 30 days all monies will be forfeited. We care about your holiday and value your decision to travel with us.
