AIR CHARTERS & WEIGHT RESTRICTIONS

At maximum capacity, there is a general luggage weight restriction of 12kgs per passenger in soft sided bags to fit in the aircraft luggage compartments. This weight restriction is subject to the flight's overall payload restriction. If you know that you will be travelling with more we have a number of options for you that need to be arranged prior to checking in to your charter flight.

1. Store it at your hotel

If you are staying in Adelaide the night prior to your charter flight, you would be able to safely store any excess luggage with the reception of your city located hotel. Upon your return to Adelaide you would take a taxi or pre-arranged transfer to collect your luggage.

2. Store it at Adelaide Airport

Adelaide Airport has a number of self-service storage lockers that are located in the parking lot

directly across from the main terminal. They have a number of sizes ranging from Small (420mm H x 900mm D x 420mm W) for \$12.00 per 24 hours to Large (864mm H x 900mm D x 420mm W) for \$16.00 per 24 hours.

Should you be in the unique situation that you have arrived to your charter flight with more than the approved luggage allowance, there may be a chance that the excess will be offloaded. In this instance, your bags would be safely stored and delivered either to a hotel you are staying at after your time at Arkaba or to you at Adelaide Airport before your onward flight at a cost of \$150. Please speak to your pilot and complete credit card authority on the day.

Although all care is taken, Arkaba does not accept responsibility for any expense incurred by a passenger as a result of any delay, alteration or mechanical failure with a charter aircraft.

If you have booked some of your flights directly with the airline or with a travel agency, please be sure to advise us of any flight changes (timings, flight numbers etc) and please be sure to check that your final itinerary has the details correctly noted. Wild Bush Luxury and Arkaba will not be responsible for transfers, accommodation, tour planning or for any travel arrangements that are effected by flights not booked by our office.
